

Systematic Observations Financing Facility at COP30

AGENDA

10 November

15h | **Earth Information Day**

📍 Plenary 2, Area D, Blue Zone

SOFF plenary intervention fully coordinated with GCOS, WMO, ECMWF and GEO.

11 November

17h | **Time to Scale Up: The Urgency to Close the Weather & Climate Data Gap**

📍 UNFCCC Pavilion, Blue Zone

SOFF flagship event to launch the SOFF 2025 Action Report, announce new pledges, and showcase growing support.

12 November

13:30h | **Philanthropy & the Private Sector: Scaling Public-Private Solutions from the Global South**

📍 WMO, IPCC & Meri Pavilion, Blue Zone

Showcase the bond as a model to mobilize philanthropic and private capital for a global public good.

14:15h | **Building Legal and Financial Certainty for Adaptation: Data, Risk and Delivery**

📍 World Climate Impact Hub, Blue Zone

SOFF featured as a bridge between data, risk, and adaptation finance.

13 November

9:30h | **Turning Data into Action: Water at the Heart of Climate Action**

📍 WMO, IPCC & Meri Pavilion, Blue Zone

SOFF contribution highlighting how accurate forecasting strengthens early warning systems and resilience.

11h | **Data that Delivers: Why Investments in Systematic Observations Matters?**

📍 WMO, IPCC & Meri Pavilion, Blue Zone

SOFF intervention on sustained Earth observations & GBON delivery.

14 November

15:30h | **Closing the Data Gap: Innovating Finance for Systematic Observation**

📍 Axis 6 Thematic Room, Blue Zone

Flagship Systematic Observation Impact Bond announcement event hosted by the COP30 Presidency under the Action Agenda.

16:45h | **Weather, Water & Climate Information for a Resilient Future**

📍 WMO, IPCC & Meri Pavilion, Blue Zone

SOFF featured as a UN innovative finance solution bridging science, finance, and implementation.
